SUPPLEMENTARY INFORMATION:

I. Background: Section 303(a)(4) of the Social Security Act (SSA) and Section 3304(a)(3) of the Federal Unemployment Tax Act (FUTA) require that all monies received in the unemployment fund of a state be paid immediately to the Secretary of Treasury to the credit of the Unemployment Trust Fund (UTF). This is the "immediate deposit" standard.

Section 303(a)(5) of the SSA and Section 3304(a)(4) of the FUTA require that all monies withdrawn from the UTF be used solely for the payment of unemployment compensation, exclusive of the expenses of administration. This is the "limited withdrawal" standard.

Federal law (Section 303(a)(6) of the SSA) gives the Secretary of Labor the authority to require the reporting of information deemed necessary to assure state compliance with the provisions of the SSA.

Under this authority, the Secretary of Labor requires the following reports to monitor state compliance with the immediate deposit and limited withdrawal standards:

ETA 2112: UI Financial Transactions Summary, Unemployment Fund

ETA 8401: Monthly Analysis of Benefit Payment Account

ETA 8405: Monthly Analysis of Clearing Account

ETA 8413: Income - Expense Analysis UC Fund, Benefit Payment
Account

ETA 8414: Income - Expense Analysis UC Fund, Clearing Account

ETA 8403: Summary of Financial Transactions - Title IX Funds

These reports are submitted to the Office of Unemployment Insurance (OUI) within the Employment and Training Administration which uses them to:

- Monitor cash flows into and out of the UTF to determine state compliance with the immediate deposit and limited withdrawal standards.

- Assure proper accounting for unemployment funds, an integral part of preparing the Department's consolidated financial statements required by the Chief Financial Officer Act of 1990. The UTF is the single largest asset and liability on the statements.
- Reconcile the Department's records with the U.S. Treasury records.
- Support UI research and actuarial reports analyzing the solvency of the UTF.

The Department seeks renewal of this collection since the reports are essential to the Department's financial statements and program oversight responsibilities.

II. Desired Focus of Comments: Currently the Employment and Training Administration is soliciting comments concerning the proposed extension collection of these reports. Commenters are requested to:

- * Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- * Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the

validity of the methodology and assumptions used;

- * Enhance the quality, utility, and clarity of the information to be collected; and

- * Minimize the burden of the collection of information on those who are to respond, including the use of the appropriate automated, electronic, mechanical, technological or other forms of information collection techniques.

III. Current Actions: The continued collection of these financial data are necessary for the purposes of monitoring and evaluating state financial transactions for proper oversight and administration of the UI system.

Type of Review: Extension without change.
